15th 1:30pm	Bingo

READING BY DESIGN

It's that time of year again! Get ready to join us at the Martinsville Public Library for this year's Summer Reading Program: Reading By Design. The program kicks off on July 18th at 5pm and will continue at the same time every Tuesday and Thursday, ending on August 3rd. We have lots of fun activities and special guests this summer, including Douglas-Hart's program "Wild by Design", so bring a friend, and get ready to have some fun!

Brighten your day?

The Martinsville Public Library will be having a colorful craft event on Thursday, July 6th at 2pm. There will be some unique crafts to choose from, so put your thinking cap on, bring your creativity, and get ready to make something unique!

THANK YOU!

To everyone who donated toward Summer Reading, you are a big part of Summer Reading's great design!

Comedy Magician Daniel Lusk will be performing his new program "Leggo My Magic Show!" at the Martinsville Public Library on August 1st at 5pm as part of the Summer Reading Program.

This program is a fun and interactive way to get children excited about reading and using the library. There will be plenty of audience participation, and of course...Legos! The show is open to all ages, so grab a friend and come see some Lego magic!

TOPS

Are you looking for a little extra support with your weight loss goals? TOPS might be just what you are looking for. TOPS Club, Inc. is a nonprofit, weight-loss education and support organization. Members refer to it simply as TOPS, or Taking Off Pounds Sensibly.

Here's what to expect at a meeting:

1. Each member has a private weigh-in before the meeting.
2. Meeting starts with members sharing challenges, successes, or goals (if they want)
3. There's a brief program. TOPS gives each chapter engaging, professionally prepared programs covering a variety of health and wellness topics.
4. Awards go to weekly or monthly best losers, contest winners, and members who've reached a goal!
5. Meeting closes with a thought for the week or other inspirational activity.

If you are interested in learning more about TOPS, there will be an informational meeting at the Martinsville Public Library on Tuesday, July 11th at 5pm downstairs. This is just an informational meeting. There is no obligation. If there is enough interest there will be a chapter of TOPS in Martinsville. For more information, contact Jill Goodman at 382-4113.

You "Can" Help The Ball Team!

Do you have some cans that could be recycled? Drop them off at Bill Downey's house on South York Street. The cans will be recycled and the money will go to the ball team. What a great way to help out the team!

In case of power outages the Martinsville Community Center has an in-line electric backup generator available. Call Joyce Bishop—217-276-6676 or the city police department for assistance.

"THANK YOU"

On behalf of the Martinsville Fair Board, I'd like to say "thank you" to all of those who contributed to the success of the 2017 Martinsville Agricultural Fair. The financial support of sponsors and donors and the endless hours donated by the many volunteers is the key to our ongoing success. We are committed to continuing the great traditions of the Fair, but couldn't do it without our dedicated community!
 ~Alan Buckner, President

Summer Meal Program

The Summer Meal Program, funded by the USDA will be serving food Monday through Friday from 10am to Noon at the Community Center Building in the basement. Breakfast and a snack will be served. Children eat for free, parents are welcome and can eat for a small fee of \$3.00 or less. There are also plenty of fun activities to participate in. Volunteers are needed for this program.

If you are interested in volunteering or need more information, contact Karie Cook at 618-553-7580 or the Clark County Health Department at 217-382-4206.

A big congratulations to Janice Callahan for winning a \$10 gift card in last month's raffle for answering the newsletter question correctly. The answer was: "Toilet Bowl Cleaner."

City of Martinsville Gas Department Important Notice

Federal regulation 192.16 requires that we inform our customers to exercise caution regarding underground or buried piping. This piping may be subject to leakage or corrosion and potentially be subject to hazards if not maintained. Remember that any piping downstream of the gas meter belongs to the customer. The customer is responsible for maintenance and operation of this portion of the fuel line.

Buried piping should be:

1. Checked for leaks periodically
2. Inspected for corrosion
3. Repaired if unsafe condition is found
4. Located and marked if excavation is performed near gas line

This is a notice only. If you have any questions or comments please contact the gas department.
